

MALL AND REAL STATE

Our Mission

To elevate Ethiopia's real estate sector by delivering high-quality, globally benchmarked developments that enrich lives, drive growth, and reflect the modern aspirations of our cities.

Our Vision

To be recognised as Ethiopia's most trusted, forward-thinking real estate developer — known for integrity, innovation, and delivering timeless value through every project.

ABOUT US

Our Leadership

Khalid Farooq & Jafer Seid Dadi – Strategic Industrial Partnership

Jafer Seid Dadi – Director

With a proven track record in both Australia and Ethiopia, Jafer brings deep expertise in real estate planning, investment, and development — particularly in multicultural and emerging markets. His leadership emphasizes long-term vision and high-impact community development.

Khalid Farooq – Director of Operations

With over 20 years of experience in construction and urban development across Australia and Dubai, Khalid drives JS Real Estate's operations with a focus on innovation, execution, and international standards. Now active in Ethiopia, Khalid is committed to building smart communities and contributing to the country's real estate sector growth.
